

March 7, 2018

*I know the Spring Equinox is on the 20<sup>th</sup>, but the weather man says spring starts on March 1<sup>st</sup>. I think their all screwed up. It was cold as a witch's tit in a brass bra on the 1<sup>st</sup> and I don't suppose it's going to be much better on the 20<sup>th</sup>. It was also cold last Wednesday, maybe that's why only 14 members showed up for the meeting (would have been 15 but Kerry had a flat tire and not enough strength to loosen lug nuts, it's a bitch getting old). Fortunately we had one Circle K member and seven Key Club members attend so the room was full.*

*Past Lt. Governor Don opened the meeting and the first order of business was for Lt. Governor Linda to induct our incoming President, Renea & Vice President, Norm. Both Renea and Norm will be stepping up for the next seven months to fill vacancies caused of the resignation of Adrienne. The difference between the two is that after seven months Renea will be continuing with the Presidential duties for another year and Norm will be retuning to the ranks of regular members with the rest of us peons. That means we need a new Vice President next October and now's the time to start looking for one. Get thinking.*

*After swearing in the officers Linda continued her duties by swearing in our newest official member, Marie Labo, complete with pinning, hand shakes, jackal fat and feathers. Marie was formally a member of the Weather Underground and only came out of hiding three years ago after attaining a full pardon from Governor Snider. We still have one "almost" member to be sworn in, JJ Schimizzi was approved for membership at the last Board meeting but was unable to attend last Wednesday's meeting. He will be sworn in at the next meeting he attends.*

*Apparently our Club will be celebrating our 90<sup>th</sup> anniversary this May and the powers that be want to have a shin-dig to celebrate the occasion. Suggestions ran the entire gambit from "Rent the Henry Ford Museum" to "Picnic at Ford Field" but when the dust settled it looks like we'll celebrate at the Dearborn Country Club one Wednesday evening in May. I don't know which Wednesday yet, but make plans on being there.*

*We also have the Memorial Day Parade coming up on May 28<sup>th</sup> and a picnic at Franks Garage in June. We need volunteers' for the parade to pass out peanuts, drive cars, carry banners and pull wagons. The picnic at Franks Garage is simpler, we just need people to eat hot dogs and drink beer.*

*Good luck to Richard Nettlow who is in Arizona this week trying to straighten out his immigration papers. Richard was picked up by ICE last Wednesday while leaving the Kiwanis meeting and given a thorough thrashing before being packed up in a boxcar and sent to the southwest. Most members are unaware that Richard was born and raised on the Isle of Man in the Irish Sea and would still be running the "Hair B Gone" bikini wax salon there if he hadn't been expelled from the island for running a sheep manure Ponzi scheme on his gullible customers. Good luck Richard.*

*Up-Coming Events:*

*March 14<sup>th</sup> – It's the evening before the Ides of March and we will be doing an amateur recreation of the assassination of Julius Caesar. Bring your longest kitchen knife and your finest Toga.*

*March 21<sup>st</sup> – It's that time of year again, the 36<sup>th</sup> anniversary of the day J.R. was shot on "Dallas". We will be celebrating with overindulgence, excessive spending and binge drinking. Committee meetings to follow regular meeting.*

*March 28<sup>th</sup> – The Tigers home opener is tomorrow and our guest speaker, Frank Pinter, has not only attended each and every home opener since 1963 but has managed to be kicked out of the park every year since 1969. A record unmatched by any drunk at any ballpark at any other city in the country. Board of Directors meeting to follow the regular meeting.*

*If you die in an elevator, be sure to push the Up Button.*
