

It was the end of April showers & time to look for May flowers @ Wednesday's Kiwanis meeting. La Presidente' Renea decided to run the meeting in reverse (or backwards). I got the concept, but it was all too confusing to me, as I'm a forward thinking guy.

We started the meeting by saying the Pledge of Alligence, then sang "We of Kiwanis", then Pat Abbott said grace, then we had the 50/50 drawing, then some fines and happy dollars, then we had cupcakes & sang happy birthday to Renea, then we had dinner, then La Prez went thru her six(6) agenda items, then we talked about sponsoring "The Young Professionals Kiwanis Club" (which was talked about last week's meeting by the featured speakers), then V.P. Norm went thru his comedy routine, then we had Limerick's by both Richard Nettlow (who said we needed some levity) and Tom Gillespie, then Skip Armstrong led the group in a backwards rendition of "Happy Birthday, Renea", then we sang "God Bless America". Then the meeting ended.

It was great to see Damon Marxer in the house. He was in from Colorado.

The boys will be @ Gull Lake golfing this weekend.

Speaking for myself,
